Re West Pikeland Field

Dear Board of Supervisors:

The Board of Directors of the Lionville Youth Association recognizes the efforts of the Board of Supervisors of West Pikeland Township in order to secure a multi-purpose field at Pine Creek Park over the past several months. It has come to our attention that the Chester County Conservation District has demanded additional conditions on the building of the field. It is our further understanding that no one was aware of these additional items until this past week.

As such, on formal Motion before our Board last evening, the following Motion was approved by the Lionville Youth Association Board of Directors:

MOTION, Based upon the progress made thus far by West Pikeland Township as it relates to building of a second regulation-size field, the LYA Board of Directors has voted to approve the postponing of the suspension of West Pikeland residents in LYA programs until the June 2009 registration for Fall 2009 LYA programs.

As such, the LYA will allow the registration of West Pikeland residents in our Spring sports program for 2009. The suspension will be effective with the June 2009 registration for Fall LYA programs if the second regulation size field is not level; graded and seeded (or sodded) by May 15, 2009. We will notify all LYA participants of this decision.

If you have any questions, do not hesitate to contact me at kryan@mmwr.com.

Thank you.
