

The information below refers to bidding for the soccer fields at PCP. We should have a permit in hand by the end of the week. In the interim I plan to provide notice to the newspaper on Wednesday with the first advertisement to be published on Friday (3.13.09). Here is the critical path to construct the improvements:

- First advertisement in DLN March 13, 2009 for the bidders to obtain specs and bid form;
- Second advertisement - March 20;
- Pre-bid construction meeting March 23;
- Bid Opening March 30;
- Engineer provides recommendation for bid award April 2;
- Bid Award April 6;
- Notice to Proceed April 7;
- Target Date for completion May 15, 2009
