

WPT- EAC 11/7/19 Minutes

Call to order 6:06 PM

In attendance: John Matthews, Rich Pomeroy, Janet Parry and Warren Fox (via call in).

Absent: Donna Switzerland, Glenn Wenger and Linda Reichert

A brief introduction of the EAC members

5 WPT residents attended the meeting

Tom Grant- 47 year resident, was a member of the former WPT EAC, is a tree identifier.

Jenny Grant- 47 year resident, is a birder

Dave Fonz- 2 year resident, biologist/musician, wants to become involved with the Council.

Cindy Spicer- she wants to become involved and has an 11 year old daughter who raises monarch butterflies and would like to plant milkweed around the township.

Don Finn- 30 year resident, forestry and wood science, is a conservation officer.

Rich Pomeroy read through his "What is an EAC" ordinance for WPT

John Mathews went through WPT-EAC background information for the residents.

Agenda was loosely followed. It was mostly a discussion with a lot of input from the resident attendees.

What WPT EAC has done so far was discussed:

Eel project

Walnut Ln. Park, several council members stepped in to help with planting trees

ROE

Council members are liaisons with other WPT committees/BOS/councils.

Survey was discussed. John Matthews read through the items that were on the survey. We need to study the surveys closely and report back to the township our findings in a timely manner.

Rich Pomeroy went over his ideas for the WPT EAC mission statement. Cindy Spicer emphasized Outreach and Educate the community. Get the kids in the township involved.

John Matthews opened up the ROE through the WPT webpage to demonstrate how it can benefit our township.

Solar power was discussed.
