

West Pikeland Township EAC Meeting- December 5, 2019

In attendance: Glenn Wenger, Linda Reichert, Donna Switzer, John Matthews, Warren Fox, Rich Pomeroy, Janet Parry via phone; Brian Maher, visitor (at meeting to “learn and listen”)

Call to order 9:02 AM

1. Minutes approved
2. Meeting dates/times:
 - a. it was reaffirmed that meetings will be held the first Thursday of every month at the township building, with those not able to attend calling in, if possible
 - b. It was also agreed that it would be ideal to hold four additional meetings/presentations on various environmental topics, at different times and venues, in order to engage a diversity of interested parties, including students. Suggestions: the library, Dtown Stem, Dtown East, others
3. EAC Website updates:
 - a. Donna: volunteered as website content person; will send list of resources to Jonathan Slaven to include on website
 - b. Rich: volunteered as Donna’s website “buddy”
4. Surveys from Election Day
 - a. Glenn created an initial tabulation of 220 responses – thank you, Glenn!
 - b. Brian Maher volunteered to digitize and summarize results, including a summary of volunteer information – thank you, Brian!
5. Glenn distributed a comprehensive climate action plan for the township; the committee agreed to include items on this list in its future plans as we go forward.
6. Liaison reports
 - a. Rich: reported on BOS meeting; Ernie quits as a supervisor
 - b. Warren: reported on Open Space committee, remarked that this committee accomplishes much more than the Land Trust
 - c. A liaison from the BOS for the EAC committee is needed; John will follow up on this
7. Phoenixville Regional Planning Committee update: we are waiting for the regulatory process to continue.

Meeting adjourned at 10:05; next meeting, January 2, 9 AM

HAPPY HOLIDAYS!! And THINK SNOW!!
