

Horseshoe Trail Bridge:

The Township Engineer is finalizing the bid package, which will go out in 2019. The work is scheduled to start in the Fall of 2019 because of limitations in Federal and State permits on when the work can be done.

Bridge at Pine Creek Park:

The contractor has finished work on the bridge at the main entrance to Pine Creek Park. The back entrance to the park is now closed again to vehicular traffic.

Lower Pine Creek Road:

This is a state road which is maintained by Penn DOT. The Township has learned that Penn DOT intends to repave the road. No time frame has been set.
